Dear Residents,

FPL has placed a temporary emergency supply cable above ground while they resolve an issue at a resident's home. Please note it is a LIVE electricity cable.

We ask residents to exercise caution while walking behind the townhomes located on the southeast property of the community between 81st Place and 81st Court.

While there are signs along the cable, we have also marked the area in orange for added visibility.

Location:

Sincerely,

Management
